Chris Gardner — Legacy Shift

Arkos Global Advisors · Georgia · TEDx “The Myth of Scarcity” · Check What You Are Chasing

Business growth strategist, keynote speaker & author.

Chris Gardner — Legacy Shift is a Senior Wealth Advisor at Arkos Global Advisors in Georgia, an author, and a speaker with more than 35 years of public-speaking experience. He helps business owners and leaders think clearly about business growth, financial structure, technology, leadership, and what comes next. His TEDx talk “The Myth of Scarcity” has more than one million views.

WHAT HE BRINGS TO THE ROOM

- Business growth strategy and the DNA of a business
- Financial structure for thoughtful growth
- Technology and AI for business leaders
- Nonprofit growth and organizational capacity
- Purpose, generosity, stewardship, and legacy

A PRACTICAL POINT OF VIEW

A business is more than its numbers. Chris brings a clear, grounded perspective to the decisions that shape a company, a family, and the next chapter — without promising outcomes or offering one-size-fits-all answers.
